

Savannah Children's Choir

Playbill Program Book 2015/2016

The Savannah Children's Choir will produce a "Playbill" style program book for use in all 2015/2016 concerts.

The one program book provides advertisers greater longevity, as it will be distributed at all SCC concerts during the 2015/2016 season, with individual performance details inserted for each program.

The programs are printed in a Playbill-size format (5.5" X 8.5"h) size. Outside and inside covers are printed using four-color process, all other interior pages are black and white, with a double-truck center page available in either color or black and white.

The Savannah Children's Choir performs an average of 15-25 concerts throughout a typical year, and this year's book is put in the hands of even wider audiences, as the choir takes the program with them as they travel.

Full payment is due upon signed contract. Make checks payable to "SCC".

Camera-ready art will only be accepted electronically in .jpg, .tif or .pdf form, emailed to info@savannahchoir.org by the October 1 deadline.
