

Savannah Children's Choir

Uniting Savannah's Children Through The Power Of Song

Everyone needs a 22" roll-aboard suitcase

Shopping for the Packing List

There are a number of items your child will most likely need for their trip to Ireland that might be great birthday or holiday gifts.

We do NOT recommend backpacks for travel—they tend to get left on the backs of chairs, and in urban areas can be easily opened (by others!)

We recommend that boys use a Passport Pouch—this goes around their neck inside their shirts, and is a great place to keep money, credit or debit cards and important documents.

Girls should have a cross-body bag. These stay on the body (unlike backpacks) and are more secure than backpacks.

Every traveler will need a 22" (max) roll-aboard suitcase. Please purchase one that is light when it's empty—it's only going to get heavier once it's filled, and each child is responsible for carrying this suitcase between airport, bus and hotel. It's also a good idea to get one that looks a little different or that you add some distinct personal flair to—you really won't believe how many black suitcases there are in the world until you've been to luggage claim in an international airport.

Ireland is a country that has different weather about every 10 minutes. We are asking a donor to provide hooded rain jackets for the choir, but your child will also need shoes that can handle getting wet.

We encourage each traveler to have a small journal to write down their impressions of the day.

Keep in mind that overseas travelers with the SCC are not allowed to bring Wi-Fi enabled devices on tour, so they may need a camera if they typically rely on their phones for this function. No camera? No worry! We'll have professional photographer Dan Biggerstaff with us, who will be producing a quality book as a memento of the trip.
